

SMITH & CANOVA

Autumn / Winter / 2011

Introduction

Smith & Canova has been recognised for its high quality leather handbags and accessories for more than 15 years and it is now a well established brand of leather goods for our many valued customers worldwide.

Our collection for Autumn/Winter 2011 showcases our continuing commitment to providing a high quality, affordable product. For Ladies, trends this season include beautifully soft leathers in chocolate brown, red, black and tan with a hint of animal as well as plum and olive tones.

We are extremely proud of our new Gents collection of bags and accessories from weekenders and satchels to wallets and iPad covers. All in exquisite veg tan and eel skin leathers.

As well as our current collections we also provide a 'Made to Order' service. This allows customers to create their own unique styles, to their specific requirements with the help of our in house design team and our well established manufacturing connections.

For further information regarding the 'Made to Order' collections or volume productions please contact: mimi@smithandcanova.co.uk or david@smithandcanova.co.uk.
